## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 85-92, 94-104, 106-112 and 114-134 are allowed.

The following is an examiner's statement of reasons for allowance: Instant application claims and discloses a headlamp having light source, reflector section, shield, lens, semi-shutter, which is used for covering an upper half of lens so that light rays coming from light source, from reflector section and/or and from all reflecting surfaces inside headlamp are not transmitted through lens at eye level of oncoming traffic users, locations of shield, semi-shutter and focal points of lens are so adjusted within headlamp that light rays are directed towards a lower half of lens through an opening placed between an upper edge of shield and a lower edge of the semi-shutter such that lower half of lens projects light rays to only road surfaces.

The combination of limitations claimed is not found, taught or suggested by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Response to Arguments***

Applicant's arguments, see amendment, filed 05/27/08, with respect to Office Action mailed 01/24/08 have been fully considered and are persuasive. The rejections of Office Action mailed 01/24/08 have been withdrawn.
